November Edition  
2003

Well here we are November 2003, by the time you read this we have seven weeks and two days until Christmas Day, who said time flies??!!

The fourth term is well under-way and proving to be just as busy as the previous three. Already we have had one week of our intense swimming program with the second week to be conducted this week. We have had five of our students attend a Junior Cricket Development afternoon with Ian Healy, and receive some excellent cricket coaching, a School Council and P & C meeting.

Our Canberra excursion is now only days away. Many thanks to all parents and community organisations who assisted with fundraising, as usual our children will benefit from all your hard work. We wish all the children, parents and Mrs. Irwin a happy week away. School Presentation night this year will be conducted on December the 18th, further details in the December edition of the Newslink.

The P & C would like to take this opportunity to thank all our sponsors for their support during our endeavours in producing the Newslink. We would like to advise all that we will not be publishing a Newslink in January so if everyone could get all their news in by November, 22nd it certainly would be appreciated.
